Before installing and using the product, please carefully read this User Manual to guarantee correct usage and keep it secure for future reference.

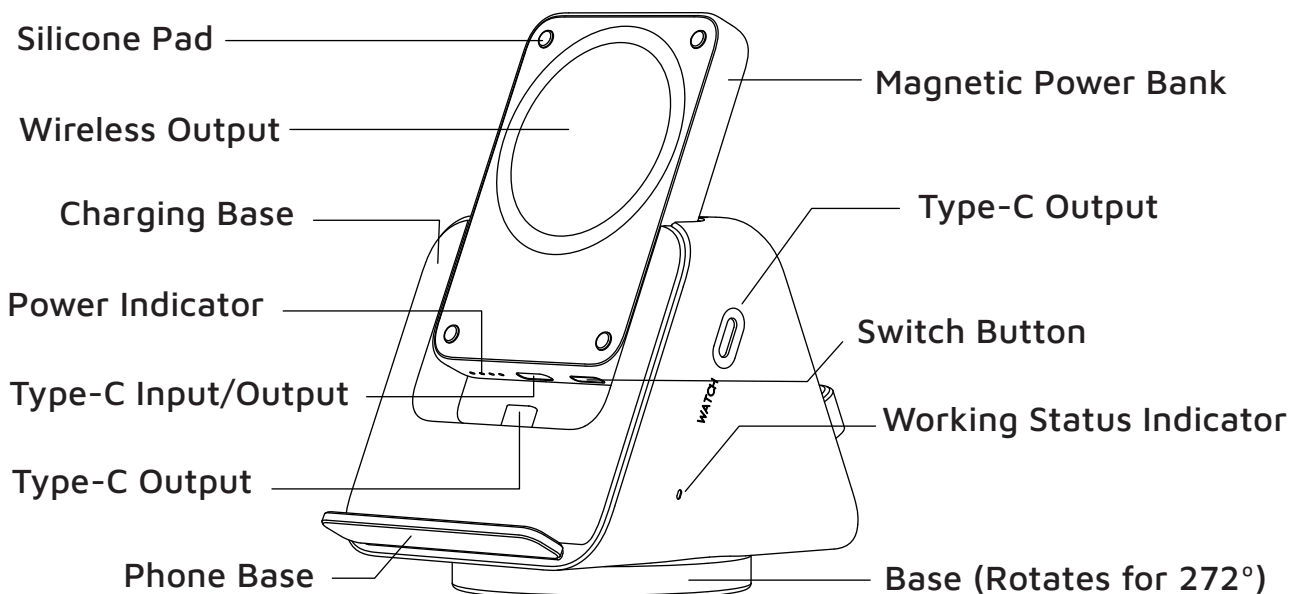

## Overview

Thank you for choosing this product. This magnetic rotating three-in-one wireless charging base consists of a charging base, magnetic mobile power bank, mobile phone base, and earphone base. It is capable of simultaneously charging a magnetic power bank, wireless charging earphones, an Apple Watch, and a mobile phone. Please ensure you read the instructions carefully before using the product.

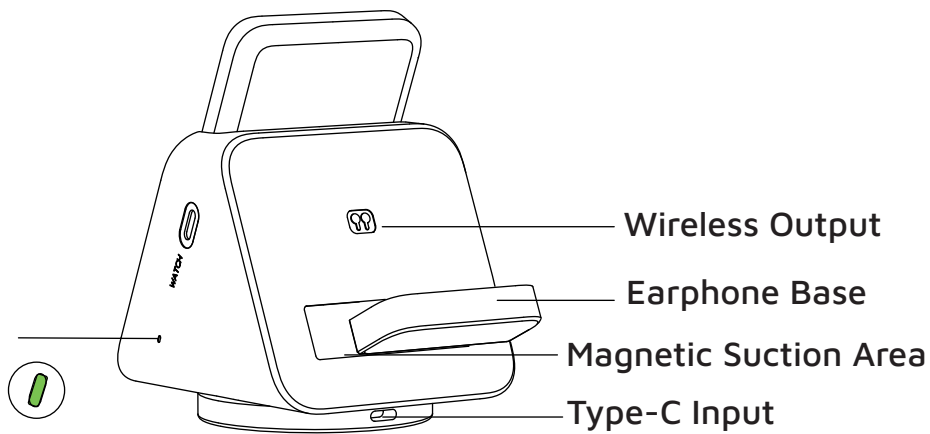

## Features

1. The device is equipped with a powerful magnetic system, ensuring a secure and reliable attachment for compatible devices.
2. It features an advanced heat dissipation mechanism that efficiently manages and reduces heat buildup during operation.
3. This feature provides a clip-on mechanism that securely holds your phone in place while charging or in use.
4. The package includes an iWatch charger, making it convenient to charge your Apple Watch alongside other devices.

## Schematic View

When the magnetic power bank is connected to the charging base, a green light will illuminate, indicating that it is in working status.

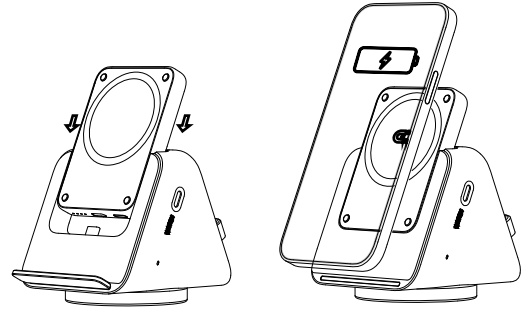

## Specifications

<b>MAGNETIC WIRELESS POWER BANK</b>	
Battery Type	Li-Polymer
Rated Capacity	3000mAh
Wireless Charging	15W/10W/7.5W/5W
Total Output	15W (Max)
Type-C Input	5V/2.4A, 9V/1.5A
Type-C Output	5V/2.4A, 9V/1.3A, 12V/1A
Charging Time	2 Hours
Product Size	82.5 x60x10.5mm
Weight	92.5g
<b>MULTI-FUNCTIONAL WIRELESS CHARGING</b>	
Wireless Charging	5W
Type-C Input	9V/3A
Type-C Output	5V/3A
Type-C Output (Watch)	5V/1A
Size	80 x 80 x 84mm
Weight (Power Bank)	174.6g

# Usage Instructions

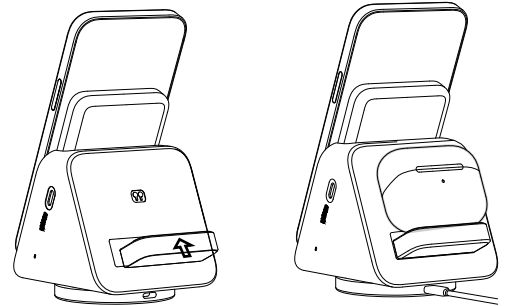

## A. Charging a Phone

1. Insert the magnetic power bank into the base to charge.
2. Place your phone on the magnetic area to initiate wireless charging.

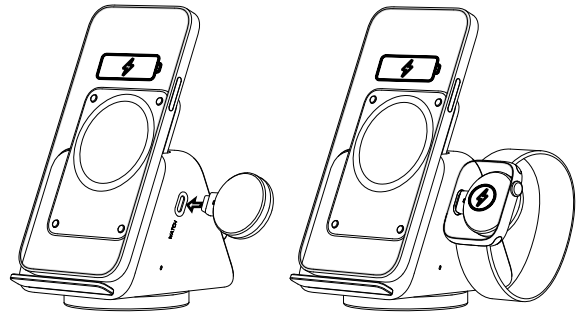

## B. Charging an Earbud

Position the Earbud on the charging base to begin charging.

## C. Charging the Apple Watch

1. Connect the wireless watch charger to the base.
2. Attach the Apple watch to the watch wireless charger to start charging.

### Note:

1. Use an adapter with a rating of 27W or higher to power the charging base.
2. The portable power bank is equipped with a magnetic absorption function. It securely attaches and charges when connected to any mobile phone that supports magnetic charging, making it compatible with the series of iPhone that support magnetic charging. The magnetic power bank can be operated independently.

# Warning

Improper use of this product may lead to battery failure, excessive heating, or even fire and explosion. For your safety and to ensure proper care of this product, adhere strictly to the following guidelines:

1. Avoid exposing the product to water.
2. Keep this product out of reach of children; it is not a toy. Ensure that children do not use or play with this product to prevent accidents.

- 3.** Always use the charger that complies with local safety standards specifically for this product to avoid electric shock or damage to the battery.
- 4.** Avoid subjecting this product to physical stress, impacts, or severe vibrations. Should the product be exposed to liquid, experience a fall, or show any signs of damage such as battery leakage, circuit issues, or short circuits, discontinue use immediately and dispose of it properly.
- 5.** If you notice any bulging, deformation, leakage, a significant decline in capacity, or other similar issues, cease using the product immediately and dispose of it according to local regulations.
- 6.** Avoid placing this product in pockets near underwear, airtight bags, beds, sofas, or other areas that might hinder heat dissipation while charging or discharging.
- 7.** Ensure the product is not covered by clothing, pillows, bedding, or miscellaneous items while operating.
- 8.** Do not disassemble, squeeze, puncture, or short-circuit this product, nor immerse it in water.
- 9.** Avoid placing this product near fire sources—including stoves—and do not expose it to temperatures exceeding 50°C (122°F). When the weather is warm, refrain from leaving the product in an unmanned car or exposed to direct sunlight.

## **Warranty**

Products procured directly from the **Levelo** website or physical store comes with a 24-month warranty. **Levelo** products purchased from any of our authorized dealers are guaranteed with a one-year warranty. If you wish to extend this warranty, you'll need to go to our website at **<https://levelobrand.com/warranty>** and fill out the necessary form, making sure to include your personal information and a photo of the product. After your request has been evaluated and accepted, we'll send you an email notification to affirm the extension of your product's warranty.
