4. Multifunction Button – Play/Pause, Answer/End/Reject Call, Activate Voice Assistant

5. Volume Up, Next Track

6. Power On/Off, Mode Change

7. Microphone

8. LED Indicator

Battery Charging

-This headphone is powered by a rechargeable Li-ion battery. A low battery alert will sound when it's time to recharge.

-Plug the provided USB cable into a compatible USB port to charge.

-Connect the cable to the USB-C port on the headphone.

-The LED light turns red during charging and switches off when fully charged.

-A full charge takes approximately 2 hours.

Fast Charging

Bluetooth® Pairing

-To pair, turn off the headphones, then press and hold the power button (6) until the LED (8) blinks blue and red, accompanied by a "Pairing Mode" voice prompt.

-Search for "Por HP Gen2" on your device to pair. The LED will turn off and you'll hear "Connected" once successfully paired.

-The headphones will reconnect to the same device automatically when turned on again.

Wired Connection

-For wired use, connect the 3.5mm audio cable to the headphone (port 1) and your audio source.

-No need to power on the headphones in wired mode; audio is managed directly from the source.

®Playing Music via Bluetooth

-To play music, press the Multifunction (MF) button (4). Press again to pause the music.

-Hold the "Volume+" button (5) to skip to the next track.

-Hold the "Volume-" button (3) to rewind to the previous track.

-Press the "Volume+" button (5) to raise the volume. A voice prompt will signal when the maximum volume is reached.

-Press the "Volume-" button (3) to lower the volume.

Answering/Ending Calls

-Press the MF button (4) to answer an incoming call, and press again to end the call.

-To reject an incoming call, hold the MF button (4) for 2 seconds.

-The built-in microphone is located on the headphone (7).

Voice Assistant

-When the headphones are on and not in a call, hold the MF button (2) for 2 seconds to activate your phone's voice assistant.

-Activation pauses any music playback, allowing you to interact with the voice assistant.

Modes – Gaming/Music

-The headphones feature dual modes: Gaming and Music.

-To toggle between modes, double-press the Power button (6). An audible voice prompt will indicate the selected mode.

-Gaming mode offers reduced latency, while Music mode emphasizes sound quality.

Cautions

-Avoid placing the product in damp, dusty, smoky, or steamy environments, and do not expose to sunlight for long periods. Avoid leaving in a vehicle for extended times to prevent malfunction.

-Clean with a soft, dry cloth. Avoid harsh rubbing that could damage the paint.

-Do not submerge the headphones in water; they are not waterproof.

-Listening at full volume for prolonged periods may risk hearing damage.

-Charge the headphones with the provided USB cable. Using a non-adaptive fast charge cable may damage the battery.

WARNING: Do not dispose of the unit in fire or water.

-Never attempt to disassemble and reassemble.

-Waste electrical products should not be disposed of with household waste; please recycle where facilities exist.

-Consult your local authority for recycling advice.

-Keep your device and all accessories out of the reach of children and animals to prevent choking or serious injury if swallowed.

-Avoid exposing your device to extreme temperatures, either very cold (below 0°C) or very hot (above 45°C), as it can deform the device and reduce battery life and charging capacity.

-Do not expose your device to wet conditions; liquids can cause serious damage.

-Handle your device with dry hands to ensure safety.
